

Hot Work App pricing

Pricing models:

The Hot Work app is a free application in the basic version. Maximum 8 permit per months

Premium:

- CHF 7 per user per months
- Photo documentation
- Unlimited number of permits to be made

Partner concept:

In addition to the premium version, Insurance companies and bigger enterprises can have a company portal with a number of user per company and the company pay a partner fee. This can be ordered from our web shop on our homepage. The partner need to estimate a number of users, if they exceed this number, they will be charge accordingly. The number of user need to be more than 500 for using this option. The user can be placed all over the world and if a local language is not yet available, it can be a part of a deal to open for new language on the app.
